

# Safety Data Sheet

## Section 1 Product Information

Product Name: 5-0-20 STD, 1.5 OXADIAZON, MOP, 50 LB. Product Code: 2070414  
Spring Valley 800-635-2123  
1891 Spring Valley Rd.  
Jackson, WI 53037

Product Use: Granular blended fertilizer for general horticulture use.  
Not recommended for: Not recommended for use in or around bodies of water.

## Section 2 Hazards

### GHS Ratings:

Eye corrosive	2A	Eye irritant: Subcategory 2A, Reversible in 21 days
Carcinogen	1B	Presumed Human Carcinogen, Based on demonstrated animal carcinogenicity

### GHS Hazards

H319	Causes serious eye irritation
H350	May cause cancer

### GHS Precautions

P201	Obtain special instructions before use
P202	Do not handle until all safety precautions have been read and understood
P264	Wash ... thoroughly after handling
P280	Wear protective gloves/protective clothing/eye protection/face protection
P281	Use personal protective equipment as required
P305+P351+P338	IF IN EYES: Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do – continue rinsing
P308+P313	IF exposed or concerned: Get medical advice/attention
P337+P313	If eye irritation persists, get medical advice/attention
P405	Store locked up
P501	Dispose of contents/container to ...

Signal Word: Danger

## Section 3 Composition

Chemical Name	CAS number	Weight Concentration %
Dolomite granules	16389-88-1	
Oxadiazon	19666-30-9	
Urea Granular	57-13-6	
Potassium Chloride	7447-40-7	

Silica Dioxide	7631-86-9	
----------------	-----------	--

(1) Nuisance limit

## Section 4 First Aid

**Inhalation:** Remove victim to fresh air. If not breathing, give artificial respiration preferably mouth-to-mouth. Seek medical attention.

**Eye Contact:** Flush eyes with plenty of water for 15 minutes. Contact physician if irritation persists.

**Skin Contact:** Skin Contact: Remove contaminated clothing and shoes. Wash with plenty of soap and water for 15-20 minutes until no evidence of chemical remains. Seek medical attention if irritation persists.

Harmful if ingested. May cause burns to mouth and esophagus, chest pain and abdominal pain.

You may also contact SafetyCall International (866) 897-8050 for emergency medical treatment information.

All treatment should be based on observed signs and symptoms of distress in the patient.

Consideration should be given that overexposure to materials other than this product may have occurred.

Treat symptomatically. No specific antidote is available.

## Section 5 Fire Fighting

Flash Point: N/A

LEL:

UEL:

**Suitable extinguishing media:** Use water spray, dry chemical, carbon dioxide, or foam.

**Special hazards arising from the substance or mixture**

**Hazardous combustion products:** During a fire, smoke may contain the original material in addition to combustion products of varying composition which may be toxic and/or irritating.

**Unusual Fire and Explosion Hazards:** Container may melt from gas generation in a fire situation. Pneumatic conveying and other mechanical handling operations can generate combustible dust. To reduce the potential for dust explosions, do not permit dust to accumulate. Dense smoke is produced when product burns.

Use self-contained breathing apparatus. Cool fire exposed areas and equipment.

Wear protective clothing and self-contained breathing apparatus. Use areas to prevent runoff and contamination of water sources. Dispose of fire control water according to the city, state and Federal regulations.

## Section 6 Accidental Release Measures

**Cleanup procedures:** Wear appropriate OSHA regulated equipment such as impervious gloves. Ventilate area. With a shovel, place spilled material in an appropriate container, avoiding formation of a dust cloud, and cover. Wipe down remaining spillage with damp rags and place rags in the container. Hold for disposal. Wash contaminated surfaces with hard surface detergent such as Spic-N-Span to remove any residue. Notify the appropriate authorities immediately if water used to fight fire or clean spill enters sewer or watercourse.

## Section 7 Handling and Storage

**Precautions for safe handling:** Keep out of reach of children. Do not swallow. Avoid breathing dust or mist. Avoid contact with eyes, skin, and clothing. Keep away from heat, sparks, and flame. Good housekeeping and controlling of dusts are necessary for safe handling of product. Wash thoroughly after handling. Use with adequate ventilation.

**Storage:** Store in a cool, dry place and in such a manner as to prevent cross contamination with other fertilizers, food, or feed. Store in original containers and out of the reach of children, preferably in a locked storage area.

**Section 8 Exposure Control and Personal Protection**

Chemical Name / CAS No.	OSHA Exposure Limits	ACGIH Exposure Limits	Other Exposure Limits
Dolomite granules 16389-88-1	Not Established	Not Established	Not Established
Oxadiazon 19666-30-9	Not Established	Not Established	Not Established
Urea Granular 57-13-6	15mg/m <sup>3</sup>	Not Established	Not Established
Potassium Chloride 7447-40-7	Not Established	Not Established	Not Established
Silica Dioxide 7631-86-9	15 mg/m <sup>3</sup> total 5 mg/m <sup>3</sup> respirable	Not Established	Not Established

Whenever possible, engineering controls should be used to minimize the need for personal protective equipment.

**Eye Protection:** Chemical goggles or safety glasses if respirator does not provide eye protection

**Respiratory Protection:** Provide local exhaust or process enclosure ventilation system to ensure compliance with applicable exposure limits. If ventilation is not adequate, wear a suitable dust respirator such as air-purifying (half or full mask) with cartridge canister approved for use against dust, mists, fumes or pesticides

**Dermal Protection:** Chemical resistant gloves, long sleeves, pants, shoes with socks

**Other Precautions:** Clean water should be available to rinse eyes and skin in case of chemical exposure. Wash thoroughly after handling. Remove and wash clothing before reuse.

**Section 9 Physical Properties**

<p><b>Appearance</b> Blend of granular pellets.</p> <p><b>Physical State</b> Solid Granular</p> <p><b>Specific Gravity (SG)</b> 1.123</p>	<p><b>Odor</b> Slightly earthy</p> <p><b>Boiling Range</b> 1420 to 1500 °C</p> <p><b>Lbs VOC/Gallon Less Water</b> 0.00</p>
---	---

**Section 10 Stability and Reactivity**

STABLE

**Incompatibilities:** Strong oxidizers, mineral acids, strong bases.

Not Applicable

**Hazardous Decomposition:** Combustion may generate NOx and carbon oxides.

Not Applicable

Hazardous polymerization will not occur.

**Section 11 Toxicological Information**

**Mixture Toxicity**

Oral Toxicity LD50: 4,293mg/kg

**Component Toxicity**

19666-30-9	Oxadiazon Oral LD50: 5,000 mg/kg (rat)
7447-40-7	Potassium Chloride Oral LD50: 1,500 mg/kg (rat)

**Routes of Entry:** Skin and eye. May irritate open sores and wounds. May cause temporary eye irritation.

Skin Contact	Eye Contact	Ingestion
--------------	-------------	-----------

Not Applicable

**Section 13 Disposal Considerations**

Waste Disposal: Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to the label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional office for guidance.

Container Disposal: Completely empty plastic liner by shaking and tapping sides and bottom of bag to loosen clinging particles. Empty all residue into equipment. Then dispose of empty bag in a sanitary landfill or by incineration, if allowed by state and local authorities. Do not burn, stay out of smoke.

**Section 14 Transportation**

Technical shipping name:.....	Not regulated.
Proper shipping name:.....	Not regulated.
Hazard Class or Division:.....	Not regulated.

<u>Agency</u>	<u>Proper Shipping Name</u>	<u>UN Number</u>	<u>Packing Group</u>	<u>Hazard Class</u>
	Not Applicable			

**Section 15 Regulations**

This product does not contain any chemicals known to State of California to cause cancer, birth defects, or any other reproductive harm.

<u>Country</u>	<u>Regulation</u>	<u>All Components Listed</u>
USA	SARA Title III Not listed	No
USA	TSCA All listed or exempted	No
